

DEPLOYMENT OF NOVEL JUNCTION CONTROL ALGORITHMS

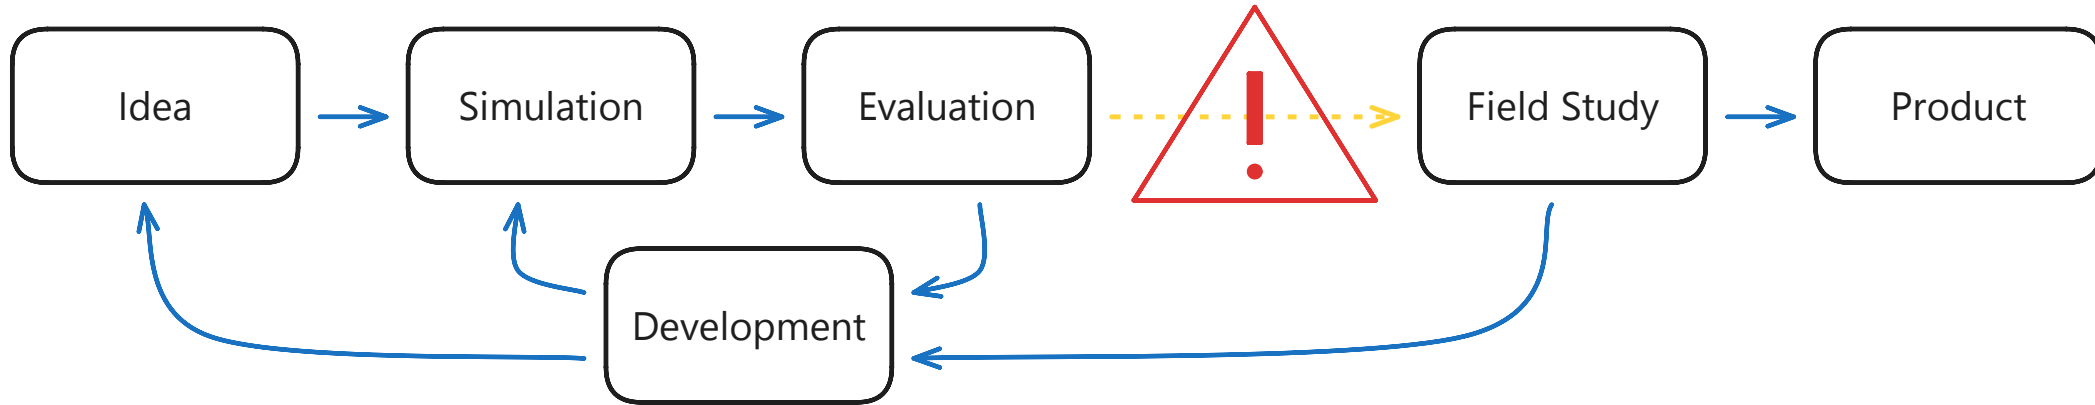

Learnings and System Architecture Proposal

Robert Markowski, Institute of Transportation Systems, 11.04.2024

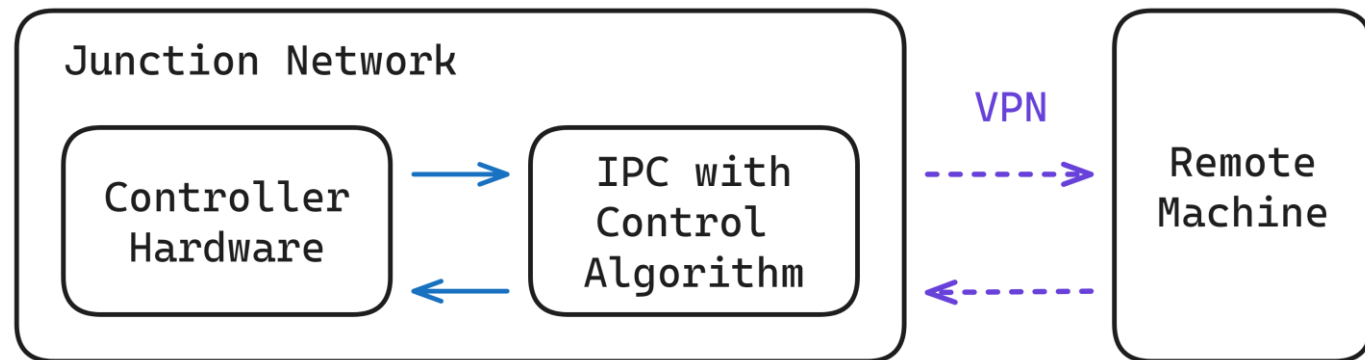

Deployment of Novel Junction Control Algorithms

Learnings and System Architecture Proposal

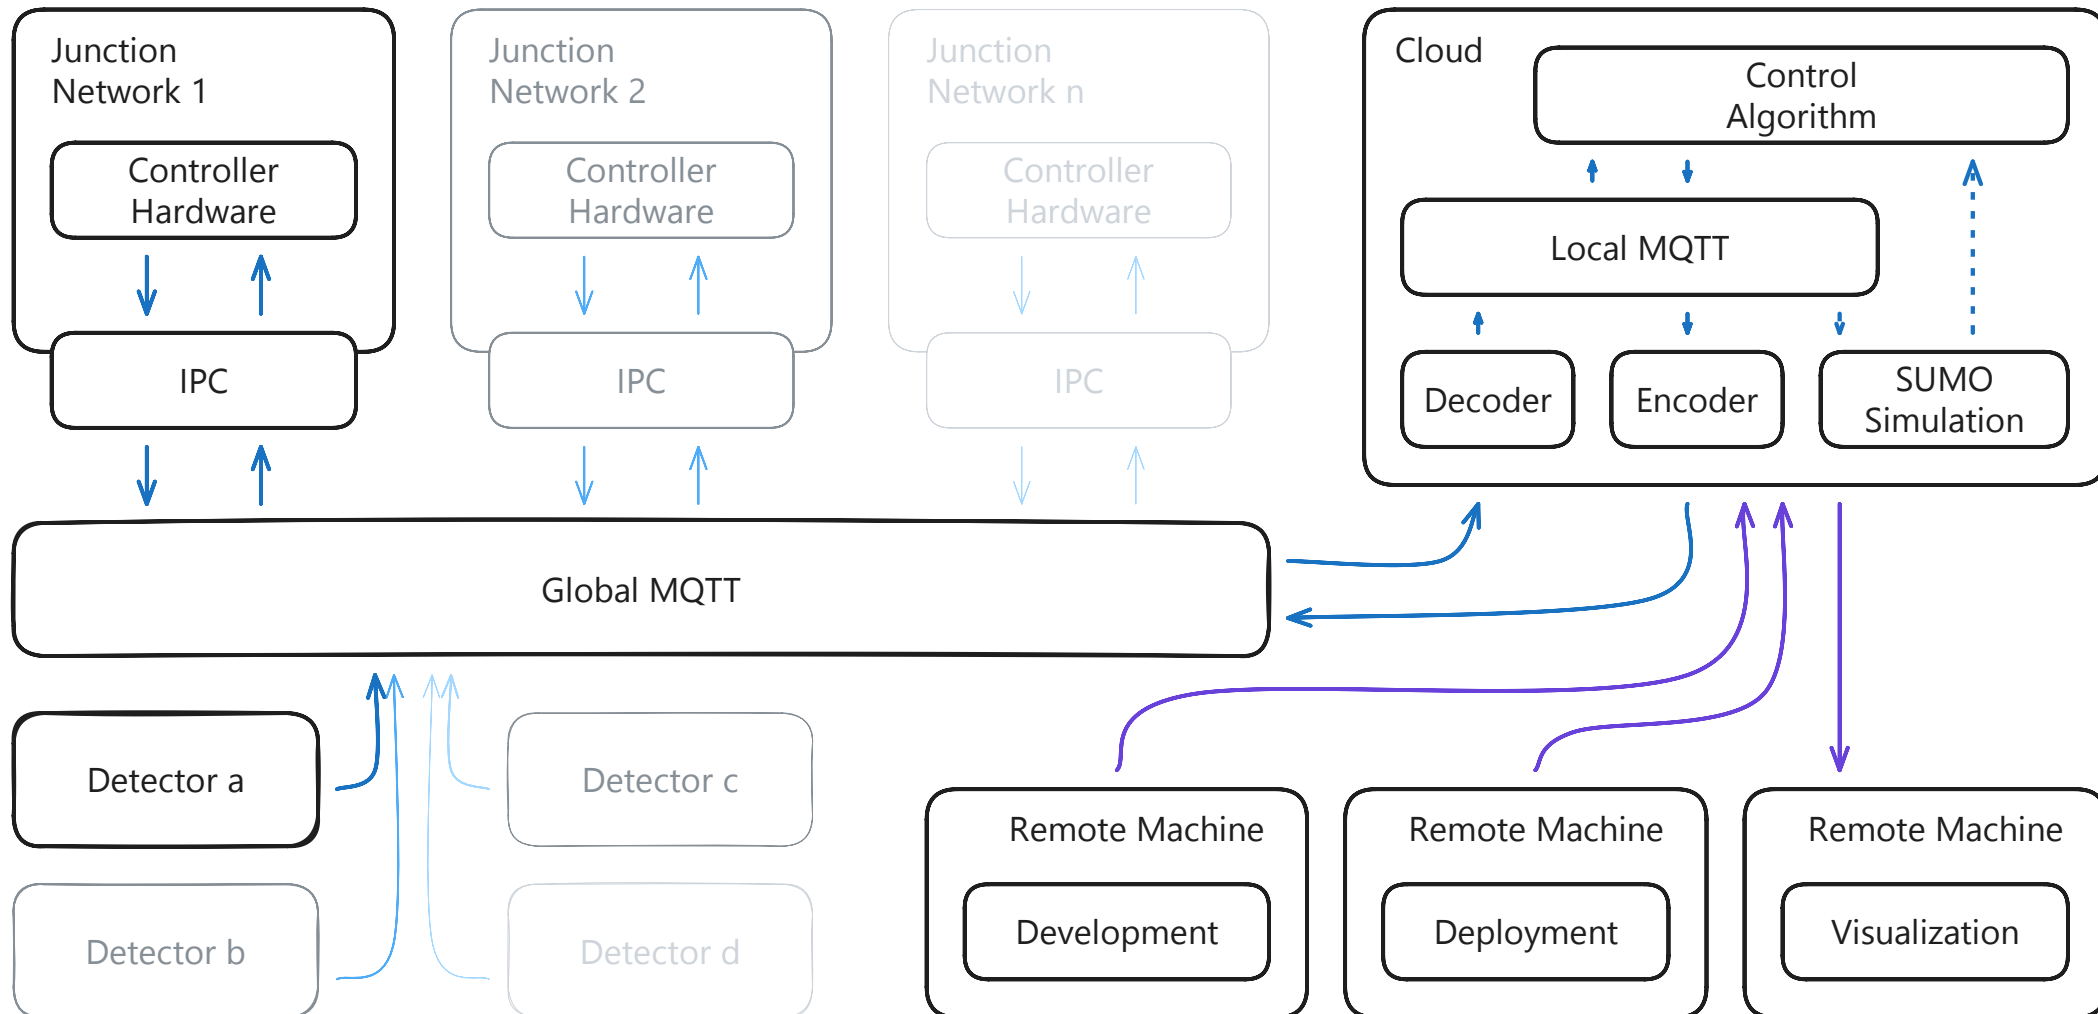

- Initial Architecture:
- local components
 - highly specialized
 - hard to maintain
 - long deployment

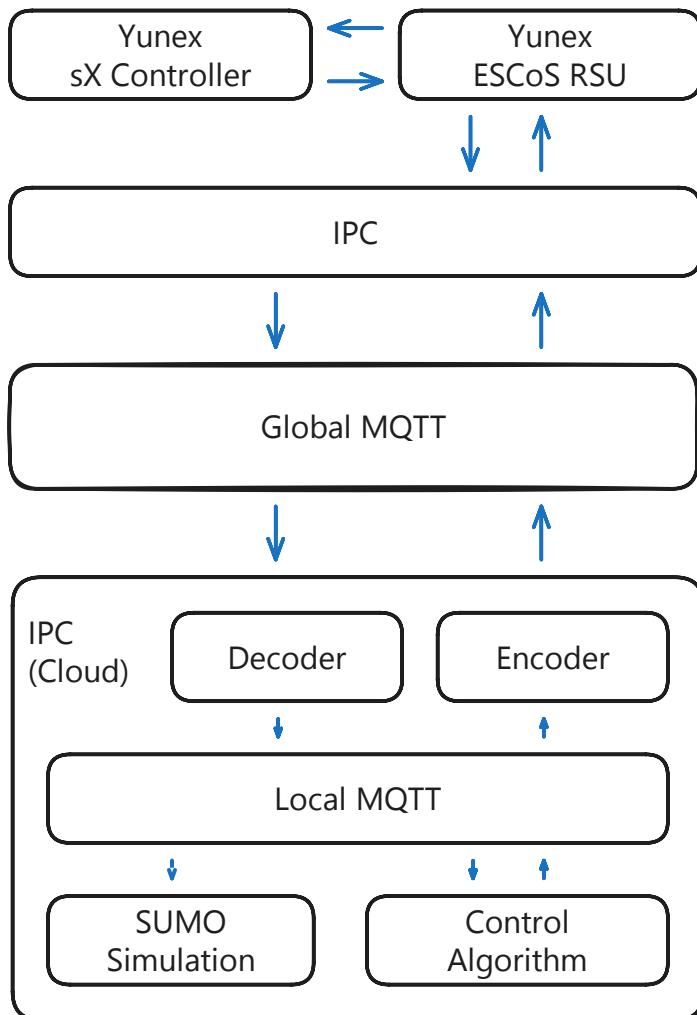

Deployment of Novel Junction Control Algorithms

Learnings and System Architecture Proposal

Deployment of Novel Junction Control Algorithms

Learnings and System Architecture Proposal
